Design ricercato dallo stile raffinato ed eccentrico. Il motivo geometrico delle ante crea un ritmo di superfici vetrate lucide ed opache: rettangoli di varie dimensioni e proporzioni che si alternano e si accostano trovando radici in un linguaggio artistico moderno. Di grande impatto grafico è la maniglia, che si configura come un taglio orizzontale che rafforza la bellezza della composizione. Può essere laccata opaca o in essenza ed è ricavata all'interno delle ante, disponibili scorrevoli o complanari.

^{EN} A refined design with a stylish, eccentric appeal. The geometric door decor offers a juxtaposition of gloss and matt glass surfaces. Various-sized rectangles in different proportions stem from a modern artistic language. The handle has a strong graphic impact, cutting across the doors in a horizontal line that enhances the beauty of the composition. Available matt lacquered or in wood, it is recessed inside the panel of sliding or flush sliding doors.
