Design fresco e moderno, ispirato ad un'estetica minimale dalle linee contemporanee. Ricorda un affusolato profilo alare la sofisticata geometria della maniglia, costituita da un taglio verticale lungo l'anta e da una parte interna personalizzabile nelle finiture laccate, metallizzate e nelle essenze. Ancora più vasta la possibilità di scelta per le ante, disponibili in vetro, specchio, essenza e laccate, da coordinare o meno con la maniglia, per un effetto tono su tono oppure in contrasto.

^{EN} A fresh, modern design inspired by the contemporary lines of minimal aesthetics. The sophisticated shape of the handle - consisting of a vertical groove in the door edge and of an inner surface that can be customised in lacquered, metallic and wood finishes - is reminiscent of the tapered profile of a wing. The doors come in an even wider range of finishes, available in glass, mirror, wood and lacquer, coordinated with or differing from the handle for a tone-on-tone or contrasting effect.
